Appearance of Christ Jesus during the 58th Marathon of the Divine Mercy, in the Marian Center of Aurora, Paysandu, Uruguay, to the visionary Friar Elías del Sagrado Corazón de Jesús

May the light of the Father, the Son and the Holy Spirit be in this place and in the most needed places in the world. Amen.

And after you have accepted My call, now I will be able to return to Egypt, after having lived there as a child; but now the King will return, to break the people free from their slavery, to bring Peace to that place and to the Middle East.

And although the events are still unfolding in the world and in this humanity, I will take with Me the souls that are most in need and I will return to the hearts that are seeking Me the most, regardless of their belief or religion, because what grants life in this world is love; it's love that keeps you alive, it's love that allows you to breathe and dream for a better time, with hope.

The captivity will finish someday, not only in Egypt, but also in the world. That is why I must return to the places where I once was, as a child, young or adult, in the East, or in the Far East.

The spiritual importance ??must be recovered so that the world does not lose peace. That is why I am returning to these places, as sacrifice and also as Grace, to bring to the hearts, again, the meeting with God from the inner planes and so that it can be mirrored on the surface, in the society. That will make everything more just and balanced, that will appease the suffering and the agonies, because it's through the merits that your Master and Lord reached, in the Passion, that these Graces are possible in this world, and in your humanity.

I cannot stop saying that sometimes My Heart is sad for those who don't understand, but the enjoyment of those who live Me and those who believe in Me and give Me their confidence makes Me happy, as you have done yesterday and today, in a simple way.

The Kingdom of God is the greatest treasure of simplicity for this world and for souls. If they are simple they will always live the Kingdom of God and He will always be close to your lives and above all things, He will be in your hearts.

I want this enjoyment and jubilation that lives within Me, time and again, to reach the whole world and not only South America. Now it's time to live the apostolate and make it part of you in each stage of life.

Thus My Mercy will reach those who are suffering the most, as well as the Kingdoms of Nature, which in those parts of the world also experience their silent suffering because they cannot speak, like humans of the Earth.

I know that there is also suffering around you, sometimes in your families, in your cities, in your jobs, in your most beloved ones; but I ask you, for Mercy, to take one more step towards Me, and we will carry this treasure of love to the places that are most needed and that for thousands of years have received nothing, neither from the Universe nor from the Heavens.

I come to recover, through Egypt, the last human values because evolution continues and also the awakening.

The time has come, companions, to recover what you once lived with Me in the Holy Land and beyond it. This is not a theory nor is it an illusion, it's time to live the Plan in a truthful way, it's time to keep the Plan alive for as many hearts of the world as possible, for those who are looking for Me and do not find Me because they do not know the way.

Yes, you found the way out, but the world has not found it yet. That's why I must return and return to the Core, from where everything is created, like the conflict, the war and the persecution.

Because this time, not only the Lady of Light will tread with Her feet upon the serpent, but also Her Master and Lord will step, with His feet, on its allies and defeat them so that they may repent some day. And there will no longer be a weapon against a weapon, religion against religion, because even though the most serious moment has not passed yet, even the impetus and the strength of My powerful Heart will be able to transform all things, when you only say "yes, Lord, here I am. "

In order to have permission to keep working, I will have the permission to continue transforming and unifying souls with God so that His heavenly Kingdom may descend to Earth and His Will be fulfilled because at the end of everything, His Sacred and Eternal Heart will triumph.

The fallen ones will be forgiven, the murderers will be redeemed, the persecutors will be loved and the evil will be dissolved, because evil doesn't know the Love that comes from the Source. Evil is the incomprehension of the human consciousness for not accepting God's Will, as it was the Will of God to bring His Son to Earth to teach you the School of Love and Redemption.

I gather again, in this time, with those who stayed with Me at that time, whether in the consecrated life or in the spirit's life; in the life of service, or in selfless life; in the missionary life or in the prayerful life.

May that commitment be revived by those who awaken.

May this commitment be reconfirmed by those who have already awakened so that the Will of the Creator can continue to be fulfilled in these critical times.

My Heart will embrace the Middle East and all those who are in that place, regardless of their condition or their condemnation. Because truly I say, companions, My Mercy is very great and still unknown. My Mercy is so great, that My Blood was spilled on the Cross, drop by drop, pain by pain, and anguish by anguish, to dissolve the evil of humanity and its eternal damnation.

It is the time to make My Love known to the world. And make the other peoples and races aware that I love them, as I love you.

Let them announce that I am returning to the world for the second time and that the heavenly Kingdom will be reapproaching to Earth with the angels and archangels, to put an end to the destruction of mankind and to dissolve the darkness by the intervention of the powerful Father, Saint Michael Archangel, Saint Rafael Archangel and Saint Gabriel Archangel.

The heralds of the Word of God will return to Earth, as it was in the beginning to the people of the Middle East.

And from there, a new history will be written and the suffering will be erased, bringing from Heaven the Books of God, opened, to introduce to the world His new Purpose in the New Humanity.

Blessed are those who live the prophecies and are rejoiced in them, because the Lord, the Almighty, will show His Power to the humble.

With this Light that I bring, I spread Peace towards the Earth, renewing this cycle and this moment for all; giving the chance for those who are confused, to be able to return to My way before the Portal closes.

May the hearts be raised to My heavenly Church and that in communion with the life of each being, everything be renewed.

The God's Universe descends to Earth and in this simple place, the souls will always find God. Although My Presence is not accepted, I will always be here to embrace you with the Light of Emmanuel.

I come to bless you with the Word of Life. I come to anoint you with the breath of the Spirit. I come to baptize you with the Water that gushed from My Side on the Cross, as part of the Source of Divine Mercy, so that you may be sanctified by the Father, the Son and the Holy Spirit.

Today there are no borders or separations between nations and peoples. The love that I could see here is what I need to renew times and above all things, humanity. It's the love of those who congregate within My heavenly Church to receive communion from the Flame of the Most Holy Trinity, together with the angels of our Father-Mother Creator, Emmanuel.

Today, the Elohim, called resplendent beings of the Mental Universe, God's angels, testify with Their fist that My mission in Egypt will be accomplished by the receptivity and the prayer of the souls who will collaborate to make this possible, and thus, My great Mirror of Mercy be lit in the Middle East.

Rejoice your hearts because you are following the right path. There will be no other place that represents Me on Earth, but just this one. Because I say to you again, companions, I come out of My Church to call the flocks that most need Me and that My representatives haven't been worthy to welcome them with chastity.

May the love of the simple ones promote Peace on Earth.

May the service of the humble people restore the Kingdoms of Nature.

May the prayer of those who are congregated in community and in light, to transform the times in order that the Scepter of the Son of God may descend to Earth, put an end to human wickedness.

And now I will elevate to Heaven this offering that you have placed at My Feet, because truly I say that everything belongs to God, our Father, who is in heaven and today listens attentively to the Voice of His Son and His companions, in order to a grain of His heavenly Kingdom is being sown in this humanity, so that mankind may be recreated through love and good among men.

May everything be sanctified and may everything be elevated under the Ray of Transubstantiation. And that at the foot of the God's Altar the offering of each human heart be placed, in this afternoon.

In the silence, companions, you can make your offering in front of My heavenly Church. I listen to you in the silence of prayer.

*Celestial Father, who leads us all,
accept our offer of surrender to You.
Guide us through the path of love,
so that Your Will may be done.*

Amen. (x3)

The offer has been accepted.

Those who will be baptized today, will be enlightened and when it happens, they will be converted.

Those who will be anointed today, will receive the Grace that they expect so much, but they must pray for it.

Father, you have become small so that the world will understand you and thus, you could get inside of the essence of Your children in order that they will vivify You and exalt Your Name, forever.

At the table of these new apostles of Mine, today I declare to you again, through this sacred formula that You have dictated to the humble Heart of Your Beloved Son.

Let the inner worlds listen to what your King and Lord of the Universe declares today: I ask all of you to take and eat of It, because this is My Body, which was given to men for the forgiveness and the surrender of sins.

My Lord and My Jesus, may the souls of the Earth hear the Voice of their Master and Lord, the Living Christ, who says to them: Take and drink all of Him, because this is My Blood, which was poured by men for the forgiveness of sins.

I ask you, for the times to come and the events that will come, do this in memory of Me in order for the Peace and Mercy of God to be present on the planet.

My Lord and My God, this is He who has given life for all and who has resurrected to return to the world, in spirit and divinity, in order to transfigure the Earth into a redeemed humanity.

Our Father, who art in heaven...

And as I said to My apostles, My Peace I leave you and I give you My Peace; because your Master and Lord will always look at the faith of the members of His heavenly Church so that everything be repaired and humanity be cured of their spiritual sickness.

May this Peace be taken to Egypt and to the places that were entrusted by your Master and Lord and by His most sweet Mother, the Blessed Virgin Mary, so that Their Hearts of Service and Humility, of Love and of Hope, may reach the whole world. Amen.

Now give peace.

May the Earth repopulate with hope and may the hope renew the hearts that aspire to reach the Mercy of God.

With the voices of your hearts today I want to expand, through a song, the rain of love for the whole planet, giving the blessing to the world, in the Name of the Father, the Son and the Holy Spirit. Amen.

I thank you for being with Me in the simplicity of the heart and of life.
