SPECIAL MESSAGE FOR THE APPARITION IN THE MARIAN CENTER OF FIGUEIRA, TRANSMITTED BY CHRIST JESUS AND THE BLESSED VIRGIN MARY, QUEEN OF PEACE TO FRIAR ELÍAS

Message of the Master Christ Jesus:

My dears:

May My Shepherd Heart be present amongst you and may you be in My Heart and you be able to take, as missionaries, My Message of salvation to the world.

May your example of charity awaken the need for serving in those who do not serve. May your example of surrender activate the need for consecration in those who do not consecrate themselves to My Heart. May your example of fraternal love reflect itself in those who still do not love God, so that they may learn to love the Creator above all things.

Through this path of constant surrender, My Redeemer Spirit accompanies you. Remember My companions, that you are attempting day by day to become detached from yourselves and to leave behind your projects for the realization of My Greater Project. In consequence, My friends, you will encounter all that is difficult for yourselves but My purifying and liberating Fire will penetrate you whenever you open the door of the heart, for an instant.

My dears, today together with the Immaculate Heart I confirm to you that the Universal Mother will continue to be your Mother of Consolation, of Relief, of Hope, your Mother of Grace and of Mercy.

If you have come to the desert of your life, I ask you, dear sheep, dear disciples, that you do not lower your arms and that you feel with each surrender you make to My Sacred Heart that you are repairing the great outrages Humanity sends to Me, day by day.

For this, know that I Am with you. I am at your side carrying the cross of the great transformation so that in the same way as the Cyrene of Jerusalem, you may victoriously take the steps towards your conversion and redemption.

Today, I want that in love your eyes may glow with light, and that your lips through prayer may pronounce devout praises to the Celestial Father.

May My Mercy always be able to accompany you, to distance you from sin, and in this way you may be able to enter the Eternal Temple of My Heart.

One more time I gather you in the name of Peace and of Good, of Charity and of Service to the whole world.

Many of My followers in this last cycle will confirm the Christic path that My Steps mark for all. Tirelessly I Am with you because I know that these times will need My Omnipresent Spirit of Love.

Under the Love and the Good of the Father, be blessed.

Thank you for considering My words with the Heart!

Your Redeemer, Christ Jesus.

Message of the Virgin Mary:

Dear children:

May you today, united to Jesus, persevere in the steps that with so much love are being revealed to you through the humility of God.

With joy and delight, dear children, My Heart returns to the origin of the origins, to the place of the beginning that will also give an end to this Work, to the place from where My first Apparitions were born to the visionaries. I return to My favorite Marian Center of Figueira, I return through the Great Portal of the elevation for your spirits, My Heart returns to the Celestial Hill consecrated to eternal prayer.

My children, feel just for a moment what it means to return to your origins, to the beginning of what you truly are for God, the Father of Love. You will be able to feel in this way that your inner world prepares itself, as in so many other times, to commune with the Grace of My Maternity, and that your hearts open themselves quickly and without delay to enter into My Celestial Kingdom.

Dear children, this Kingdom exists before your eyes, this special Kingdom blessed by My Immaculate Heart is the Marian Center of Figueira and it is blessed in the same way that the Father asked Me to bless Lourdes, Fatima, Guadalupe, Salta, Medjugorje and Aurora. In all of the Marian Centers there is a luminous star of My Crown that is united to the heart of each pilgrim, and you can be blessed by one of My twelve attributes, sublime attributes that will help you for your consecration.

With all this, Beloved children, perceive how My Immaculate Heart feels today because It is returning to the Center of Love and Prayer consecrated to the Mother of the Highest.

Dear children, each time that you climb the Hill of the Apparitions remember that that you will be uniting yourselves to one of My Sources of Grace and Mercy that is poured for the world from this holy and sacred place.

For this, today I ask you to look with different eyes at this place where you are, because this archetype of the Marian Centers exist to help in the conversion, liberation and consecration of humanity by means of the state of prayer of the heart.

Beloved children, may you, as souls united to Jesus, today be able to express the Graces in life that I have poured through your love for My Maternal Heart. May the promise of the coming time of Peace elevate your hearts so that, united as only one flock, you may comply with the plans of God.

Dear children, may the beloved Network of Light of Fraternity and of Prayer continue with your efforts and prayers complying with My calls because thanks to your answer, united as one PILGRIM HEART and one SERVER HEART, God has allowed that I may be more present amongst your hearts and your homes.

For this, special thanks to the group of the city of São Carlos in the State of São Paulo, My Heart will soon visit them to bless them.

Thanks to the groups of the State of São Paulo and from the State of Minas Gerais, My Maternal Heart, under the impulse of their abnegated help, will be able to visit other cities to bless them.

Thanks to My children from Venezuela, Colombia, Ecuador, United States, Spain, Portugal, Norway, Paraguay and Chile. My Heart, according to the Will of God, will correspond to your hearts.

Children, the Work of God accomplishes itself among the Servers who are in Heaven and the servants who are upon the Earth.

I thank you for answering to My Call.

Praised be Christ!

Mary, Queen of Peace and Mother of Humanity.
