MESSAGE FOR THE APPARITION IN THE MARIAN CENTER OF AURORA, URUGUAY, TRANSMITTED BY THE HOLIEST VIRGIN MARY TO SISTER LUCÍA

Beloved children from the entire world.

My Heart emits today holy words of consolation and peace, for your hearts to rest in the Love of My maternal word.

Dear children, feel the infinite Graces that you receive daily from the Redeemer Heart of the Lord and discover in His Heart that we are in the expected time of transformations. When My Son was on the Earth, He left for you a message of hope. This message said My children, that much more than He did, those who would come after Him will do. Because Jesus lit the Light of a world that lived in darkness and gave the possibility for each one of you to live what He was able to live and much more.

When God asks you, My children, to imitate the steps of the Lord, it is for you to open your hearts to love God as He loved it and to bring to the Earth this Love that was only known in Paradise.

My dears, those who can believe My words will have a wide and luminous path, because we are in a time in which New Christ's must arise. And when I say New Christ's, I am speaking of souls redeemed by the Christic Love.

When He returns, Christ will seek this flock that attempts with all its aspiration and effort to walk in His footsteps. And to those, My children, the Lord will give a final impulse. Because the Lord Jesus has the responsibility of returning to see the last step of His flock in this world and to take His companions with Him to Paradise.

If your hearts get lost among My words, seek in the Holiest word of the Lord, that which is full of Mercy, the key to understanding. Because Christ will not only hold you accountable for transformation, but He will indicate day by day each one of your steps. For those who have ears to hear and heart to understand His messages, they take large steps.

I accompany with My maternal gaze the walk of all My children of the world. And after having prepared your hearts to receive the Lord, I will be at the side of God, waiting for the coming of the Shepherd with His redeemed flock.

I thank you eternally, dear children, for walking under My mantle.

I guide and love you all.

Mary, Mother of the Divine Conception of the Trinity.
