MESSAGE FOR THE APPARITION AT THE MARIAN CENTER OF AURORA, TRANSMITTED BY THE MOST HOLY MOTHER OF GOD, THE VIRGIN MARY TO THE VISIONARY SISTER LUCÍA

As the Luminous and Redeeming Bird, I bless you today and always, in this way I am sealing the commitment of all of My little children to My Heart.

My beloveds, with infinite joy, My Heart descends to Earth because in this blessed House of Redemption I find encouragement to take to souls all that they need the most.

Here, in this Aurora of the Heart of God, I want the world to find the Peace that does not exist in the nations. May a Fraternity reign among your hearts that is strengthened through Love and Unity.

Open your arms to receive all who may approach this House, do not fear to receive not even the most lost of My children, because I will meet them and I will make them return to God through your hearts.

In this House of Redemption for the world, I want a Sacred Charity to be lived that may act upon all things. Learn to live in eternal service with one another because in this way you will each awaken the Sacred Gifts of the Holy Spirit.

I requested that this House be built of brick and straw so that you would know how to live that which is Sacred through simplicity. I want you to discover the Kingdom of Heaven in the simple life as it was with the Sacred Family of Nazareth.

All of you, be very chaste, helpful and as pure as Joseph. Be loving, welcoming and as prayerful as Mary. Be faithful to God and to His Sacred Plan, above any circumstances that may be presented in your lives and, as Jesus, never fear to carry the Cross that the Lord may send to you; on the contrary, embrace this Holy Cross, as did the Master who showed you the path to Redemption.

Little children, even though My Word retreats these months into your Home, My eyes see through each space of this place and know the need of each one of your hearts. As the Blessed Mother I observe you in silence and at the first opportunity that you open the doors of your heart to Me, I will respond to the call of your hearts.

On this day, I want to thank My little ones who persevere in the heat of this New Aurora, who unite themselves daily to My Heart and to the Heart of My Son. Know, My little ones, that you are responding to My Call and that you are complying with the Will God.

When My Heart encounters all the pain that exists in the world, It does not get discouraged because It knows that there is a small place, of bricks and straw, to which It will return and will find the few but faithful soldiers of My Heart ready.

Do not get discouraged in face of the tests because the Lord allows you to live trials so that you may be strengthened for what will come. Never forget that the King of the Universe achieved the Glory of Heavens through the Cross, through the Love that persevered while His body hung on the Cross

of all the Misery of the world.

I come to strengthen you, to warm you up from the cold that comes, so that you may always find in the Fire of My Heart as a safe space where you may warm up your little hearts.

Come, without delay, to My arms, because on this day I am as Your Divine and Sacred Mother, as a Mother who comes from very far away to be with Her children, as She knows how much they need Her presence.

I love you deeply and I will thank you always for waiting for My Heart, and for responding to My Call.

May the Holy Spirit be in your hearts.

Mary, Mother of the Divine Conception of the Trinity and Our Lady of Aurora

When She finished transmitting the Message, Mary stayed a while with us and She started to pray the following prayer:

Prayer of Union with the Holy Spirit

Spirit of Redemption and Life,
Holy Spirit that restores and illuminates all,
descend upon the hearts that wait for You,
fill the hearts that call You,
renew the essences of those who suffer in the world.

Awaken Your Gifts in those who aspire to eternally serve God.

Awaken Your Spirit in the hearts of the world
and find Your Eternal Dwelling within all of them
so that the Glory of God may be manifested upon Earth,
and that which is Sacred may again live in this world.

Amen.
