WEEKLY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE SACRED HOUSE OF MARY, MÃE PAULISTA, SÃO PAULO, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Seek the Truth and it will be revealed to you.

Search deep within yourself, as in the firmament of the Earth, which hides the depths of the Cosmos, the answer to your innermost concerns, the calm for your anguish and the meaning for your life.

Seek the Truth and it will be revealed to you because this is the time for unraveling mysteries. The Law dictates that nothing be hidden any longer, neither from the eyes, nor from humankind's heart. And, little by little, this revelation will manifest itself on the surface of the Earth.

From the peoples of the beginning of the history of humanity to the present days, many mysteries were born and flourished. They are called "mysteries" because the human consciousness does not know them. But that which is a living part of the history of each being will no longer be a mystery.

The mysteries of human life are those facts that hold the true potential of humanity, as well as the reality that their existence did not begin with Earth, but rather in the depths of Divine Thought, before everything was created.

What you consider a "mystery" must be unraveled, because this is the cycle of the Truth, and the first Truth is that each being must know itself, understand its history, its roots, its errors and difficulties, and also recognize the virtues and Gifts it has received from God, throughout its evolution.

To know the Truth, you must thus seek it, knock on the door of the inner mystery and humbly allow it to reveal itself.

Ask God for the Grace of being in peace, in the face of your deepest miseries, whose roots transcend life on Earth. And also ask for the Grace of humility, to recognize that this human project is unique and that you are part of a Divine Treasure ready to manifest itself.

The gold of your spirit can become a precious celestial gift that, illuminated by the Light of God, causes hope to shine in the abysses. But you can also allow this gold to turn into dust, cause ignorance and indifference to make of you an eternal and permanent mystery to yourself. And even though all may be revealed, your eyes will see nothing.

Let your heart, child, open to the new cycles; that your concepts of life, of knowledge, of existence, and of spirituality be renewed. Because you are facing a cycle in which the Truth will emerge, and, even though it is held within you, you have never been absolutely united with it.

Everything will be new. Everything will be renewed and will show itself to the world as something unique, although obvious from the beginning, for there is no being on Earth that does not feel at their core that their ignorance hides a higher reality.

This reality will emerge. This Truth will show itself. Mysteries will cease to be mysteries, and you will finally know yourself and recognize yourself in God.

Your Father and Friend,

The Most Chaste Saint Joseph
