DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Leave your soul surrendered in My Arms so that I may deposit in your essence what I have prepared for a long time.

I need you to give Me permission so that I may be able to work and polish, with My Hands, everything that, some day, must shine as gold.

You are the greatest treasure that I can bestow to the Universe and, mainly, to Creation.

Your life is like a raw crystal that must be worked on so that it shows its beauty and splendor.

Let me remove the streaks of the impurities. Allow me to be able to use the instruments that I have prepared to make of you what My Will has determined.

Do not retreat, advance without fear and with courage so that those who are behind you may also be able to advance.

Be conscious of My Words and remember My Acts so that you can finally perform My Sacred Will.

Take the risk to feel inner detachment of all power, all autonomy and all prestige.

A true servant of Mine is always willing to clean the sandals of his brothers so that they may neatly enter into the Divine House of the Father.

I invite you to decide to be part of Me.

I thank you for keeping My Words in the Heart!

Who blesses you,

Your Master, Christ Jesus
