DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF FLORIANOPOLIS, SANTA CATARINA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear and beloved children,

In these severe times of purification of consciousness, know that God does not expect immediate perfection in humankind, but rather the simplicity and the truth of the heart.

God invites you to, through simplicity, let the Love of God be born in you, again and again; a Love that will comfort you, a Love that will not abandon you, a worthy and faithful Love.

Do not rest your attention only on the defects of human life because it will be through a redeemed imperfection that the new being will be born, who will be the bearer of hope and trust in God.

For this reason, My children, embrace each new stage of purification with humility and simplicity.

Through prayer, you will always have My consolation and guidance, and in the culminating moments of your purification, you will be able to count on My assistance; because I love you, and as a mother, I know the inner need of each child of Mine.

Stop feeling that emptiness that does not lead you to anything. Stop submerging yourselves in this arid desert of life.

Through My Words, I bring you the Fount that will quench your thirst.

Children, do not despair, do not be perturbed, do not punish yourselves any longer. You came to participate in a transition that has just begun.

Have faith; the power of the Love of My Heart will be your constant strength.

Today, God grants you His Forgiveness and His Peace.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
