DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children:

When you exalt God with joy, an important affluent of Piety and Mercy opens and sheds itself spiritually upon all of humanity.

When you exalt God with joy, the most deep-rooted sinners receive the balm of atonement they need to be able to attain forgiveness.

When you exalt God with joy, His Merciful Heart reaches, spiritually, all those beings who were condemned to death and the light frees them from this situation.

When you exalt God with joy, His Peace is irradiated from Universe to Universe, until it encompasses the whole consciousness of humanity.

When you exalt God with joy, the world is coated in a color more blue and shiny, and it is relieved from suffering.

When you exalt God with joy, extensive hells are closed and doors of liberation are opened to transmute humanity.

When you exalt God with joy, such as in the beginning of the Marathon today, impossible and difficult situations are solved because, from your hearts, only the real love of God emanates.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
