DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Child,

After everything defines, some will think that I was never here nor will they believe that in these last years I have been talking to you directly so, in spite of your miseries and imperfections, you should let the world know that I am already returning.

For this reason, stay firm without hesitating and trust in Me, because from My Heart will come the correct words when you and some of your companions may have to testify because of My cause. But in that moment, and in that hour, everything will already have been said and the world will be at the apex of its great and last purification.

Thus, as from now, do not feel regret or distress. All who serve Me for some reason, must be tested in their faithfulness, obedience and love, so that, in My servers, in those whom I have chosen, the transformation that My Word brings about and the miracle that My Message produces, may be represented.

Keep on as you have been until now, close to Me, in simplicity and love, and tell your companions to do the same, because the time to protect the Work from the enemies will come.

Those who oppose will come to know the greater heat of My Fire.

Those who unconditionally adhere will come to know the celestial marvel of My Love.

Thus, continue forward for Me and for no one else; the world is full of personalities, and to all of them the moment to disappear for being full of fantasies and illusions will come.

But you, who are with Me and that, for My Mercy, I have taught you to be so, never cease to make Me known.

Imitate Me, even though you may not manage to do so; seek Me, even though I may not call you, because, from that spiritual communion with Me, you will receive the strength you need in order to defend My Word and My Message from those who will try to deny them.

Accept the cycles that are coming and never, not for a second, stop surpassing Me in love. Thus, for your service, you will allow Me to win over the obedience that I expect from many more hearts that are disobedient to Me.

Today I do not make you shine like gold nor diamonds; you are the most imperfect stone that has been molded by Me. Let Me continue to penetrate in the depths of your spirit, for that is where the Supreme Will will be done.

Be an example of constancy, just like some of Mine are.

Believe, above all things, in what My Love can do, in this way everything will be transformed.

I will be your breath in the times of trial. I will be your hope on the days of great planetary darkness.

I Am what I Am.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
