DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Through the spiritual, educational, and academic formation of My Order, consecrated almost nine years ago, I will be able to be accepted, in a civilized manner, by the world and by cultured human beings, who do not believe that within My new apostles, there may be a source of instruction.

When I asked Peter to found My Church for future times I also asked him to form himself; this was for the purpose that he was to represent Me on Earth as a successor of Christ.

Today, in these very accelerated times, I come to ask for a continuity of the spiritual, educational and academic formation of the entire Order, in order that when I can no longer be present amongst you, the nations, the governments, the diplomats, the presidents and the religions of the world may provide a spiritual and physical space so that those who are Mine may testify to My Presence and that, within the laws of the Earth, there may exist a true acceptance of the spiritual mission that I have come to fulfill amongst you during these years.

For this reason, it is of great importance to Me that My faithful collaborators and followers help in the formation of those consecrated in this time and, above all, facilitate the means and the material resources so that these siblings of yours may be able to represent me in a dignified manner, in the coming future.

This will be of great help so that the Work of Mercy that I carry forward in this place of the world, and by means of the Marian Centers, may be recognized as a favorable and safe place for the devotion, prayer, and communion of souls within My Sacred and Glorified Heart.

I thank you for keeping My words in your heart!

Who blesses you,

Your Master, Christ Jesus
