DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF SÃO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

For these times of definitions, in which everything will be permitted, an extraordinary Grace will be granted for the liberation of all past mistakes that a soul or a group of souls have generated throughout times.

That Grace of liberation refers to everything that binds or imprisons the consciousnesses with habits and past customs that prevent souls from taking a leap in evolution.

Through the Sacred Centers, united to the Marian Centers, this liberation can be fulfilled, as well as through the union of a group of serving souls who support the liberation of a suffering consciousness.

Therefore, it is important to know that if this spiritual and inner liberation occurs, this will allow the doors of healing and rehabilitation to open for the soul that has been self-imprisoned for a long time.

The fusion of the Sacred Centers with the Marian Centers generates a very potent vortex of liberation, which acts each time that a group of consciousnesses cry out for that liberation.

The effects of this request or appeal reach very profound levels of the essence that needs to be liberated.

In this cycle of rescue, the Spiritual Hierarchy will grant to the imprisoned souls the extraordinary Grace of liberation in order for them to achieve redemption and intimate union with God and thus, again be free in spirit.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
