DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Every day, cleanse your heart with luminous prayer and, in this way, time and again, you will gradually achieve codes of perfection.

While you are in the world, you will learn to survive your own miserable human difficulties.

But have a spirit of enthusiasm and courage because each time you go through a test, and you manage to transcend or overcome it, you will find the inner strength and courage so that, one day, all may be transformed.

The human condition is the greatest obstacle for the souls that must express their virtues and their potential.

The human condition is the main test for improvement for the disciples that are willing to surrender to the Lord.

Meanwhile, with inner courage, experience, every day, the challenges that life gives you, not as a difficulty, but rather as the opportune moment for taking steps directly toward the light that dwells within, towards the inner God.

Continue forward without thinking that you will not manage to redeem yourself; on the contrary, affirm, day after day, that you have the possibility of finding within this life the meaning of your mission and your existence.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
