DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Crossing the portals of Heaven, I stop in beautiful Aurora to contemplate its splendor and the daily work of those who, out of love and unconditionality, offer their lives to God, every day.

I stop in Aurora to witness the beauty of its effort, the untiring work of those who sustain it, in spite of challenges, deserts and instability.

Crossing the portals of Heaven, I stop here, within this place, to contemplate the faithfulness of a few; of those few who follow Me, no matter the consequences or the results; those who are faithful to My Word and testify to My Message through sacrifice and their constant giving of self.

All of that and much more is what causes me to stop in Aurora, to contemplate what many do not see with the eyes of the heart, but that some feel, through the perceptions of the soul.

Aurora is the House of the Son of God because it is something beyond the physical; it is a spiritual dwelling place that was a setting for the great Masters. This month, and in those coming, My Heart will be felt here, leaving you the message of My eternal company for an Aurora that gave completely of itself, beyond its possibilities and its means.

For this reason, God recognizes the brave, the soldiers and the sailors that in the storm have overcome shipwreck, loneliness and emptiness.

Behold the Son of Man, Who returns in the quietude of the coming months to dedicate His Consciousness to those who have always revered it.

Aurora is a part of My Heart, just as My Heart is part of the children of Aurora.

I thank you for keeping My Words in your Heart!

Who blesses you,

Your Master, Christ Jesus
