DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Prayer for the New Life

May awakening take place within the hearts
and consciousnesses
of those who have committed themselves
to the renewal of the Love of God.

May prayer be the Living Water
that keeps the hearts clean,
the minds at peace and the spirits pure
to respond to the Celestial Call.

May service be the torch
taken up to ignite the hearts
that have lost hope,
and may it renew them in love, in faith
and in the joy of being alive.

May knowledge be the reason
for the constancy of the beings
in the Plan of God
because Wisdom vivifies and strengthens them
with true foundations to reach the Father.

May fraternal life be the sustenance and the strength
of those who aspire to participate In the New World,
for they know that anything can only be built
by loving others in unity.

May the love for the Kingdoms of Nature be a sign
that Redemption has been fulfilled
and that the One Thousand Years of Peace
begins to manifest on Earth
which, worthy of a new name,
returns to the Heart of God.

So be it.

Your Father and Friend.
The Most Chaste Saint Joseph
