MESSAGE FOR THE APPARITION IN CRER-SENDO, NOVA TERRA, RÍO DE JANEIRO, BRAZIL, TRANSMITTED BY THE BLESSED VIRGIN MARY TO THE VISIONARY SISTER LUCÍA

I Am each flower that is born in these fields.

I Am the fields, the mountains and the trees.

I Am the seed of the New Humanity that sprouts in the Heart of the beings that begin to grow because all of the Creation comes from My womb, and I come from the Creator of all things.

The Lord creates by means of Me and I Am to manifest His Glory, the Glory of God.

Children, My Heart today glorifies the Lord for allowing that My feet, one more time, touch upon this sacred soil in order to bless you and to confirm My kingship in the Heart of all of My children that dwell here, may they be big or little.

My beloved children from Crer-Sendo, I come today in a special way to your hearts so that you may know that I dwell there every day; so that you may recognize Me as the Mother of each one of you and may assume with Me the maternity of one another.

Because by means of the life that is lived here I want to leave this sign for the World: A place where all are children and all are mothers and fathers. In this way all will be able to know, and to live, that it is possible to love one another more than as brothers and sisters, but as a mother loves a child and as a child loves the mother

Today I come to give you an impulse to take one step more in the life of consecration so that by means of My Maternal Heart each one of you may be able to love as I love, and may be able to take care of one another as I take care of you day by day from the Heavens, and also from the Earth.

My Children, I want that the World finds in this place My active Temple of prayer. I want that each one of your little hearts be a mirror that may be able to reflect My Love for the Earth.

I come to construct in each one of My children a bridge that will perpetually unite you with Me. Because wherever may exist a Love that may live and reign between the hearts, there I will be to bring to you each time a little more of the Light of the Kingdom of the Lord, this Kingdom in which I dwell together with the Celestial Angels.

Dear children of My Heart, I also want by means of you, to leave one more sign to the World, the sign of the persistence and of the fidelity to My Immaculate and Holy Heart. Because by means of the Faith of your hearts you will go through each test that presents itself in life, each test that the Lord sends you for the growth and the maturing of your spirits.

By means of the living of Faith and of Fraternity you will be able to help, with Me, My children that live in the world, those to whom are lacking Faith, Love and Fraternity.

Trust in My words and in My aid. I am here day by day to guide you. I listen to your prayers and I know each one of the necessities that you have.

Count on My Love and on My Instruction to fulfill the Plans that God has for each one of you, and for all as a group.

I Love your hearts with predilection, and I wait for you in My Kingdom.

I thank you for answering, with deep love, to My Call of the life of the heart.

Mary, your Mother and Queen of Peace.
