DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

Thank you for responding to My call and opening your hearts to My voice and to My Messages for the world, and especially for all My children in the Americas.

Today I call you to celebrate in My maternal Love the effort and the surrender of your hearts to the Will of the Lord. Today I remind you of the moments of My preparation during the Visit to My dear Sister Elizabeth*. Our Hearts, the heart of Elizabeth and Mine, responded in that time to an unknown Will which, however, we could feel in the depths of Our souls. At that moment My canticle Magnificat was born, praising the Lord of the Heights for His Glory, His Grace and His Immensity of Love for all creatures.

Today I invite to you to keep in your hearts this moment of the Magnificat, the moment when the Archangel Gabriel announced to Me the glorification and the divinization of My soul as Blessed, as Universal and as Mother of all creatures, after My Resurrected Son had elevated Himself to the feet of the Father. Therefore, My little ones, the effort made with love and for love of God is worth much.

Keep My Maternal words in your hearts. Trust and enter My Kingdom of Peace. Let us unite ourselves today in prayer for the peace and the healing of those who live in affliction in the whole world. Awaken the flower of your souls so that I may elevate it with My hands as a precious offering to the Creator.

Who loves you and guides you and so many other souls, Mary, Mother of the Divine Conception of the Trinity

* She is referring to Her cousin Elizabeth.
