DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

All of you and all souls need to live in prayer. The world, as a heart in pain, asks of you the Light of your prayers. My Immaculate Heart will help you, when in trust you walk through the pathway of My Love.

Dear children, I have all of you present in My prayers and I ask Our Most High Father that the Graces may be poured over the hearts that are distant from God. Live daily in the Love of the Celestial Father, My children; trust fully in His designs. I come to your hearts to invite you to contemplate one of His Designs: Peace.

My little ones, prayer is the shield that will protect you against the evil of the world. My Glorified Light must descend upon all the creatures. I await the alliance of all of you with the restoring prayer for each one of your hearts.

My beloved children, I call you to construct with prayer the towers that are in the Heavens so that they may descend over the Earth. In this way the Kingdom of Peace will be more alive for the souls that, in sincerity and love, seek Me.

Dear children, do not fear the transformation and the daily conversion of your hearts. The Lord wants to bring His Promised Land to life in all creatures. I am daily with each one of you. I contemplate you in My prayer. I seek you in My adoration of God. I wait for you in prayer. I Love you.

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity

Full is My Grace for all hearts.
