MESSAGE FOR THE APPARITION OF MAY 25, 2019, RECEIVED IN THE COMUNE OF CASTEL VOLTURNO, CAMPANIA, ITALY, TRANSMITTED BY MARY, ROSE OF PEACE, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

The times that will arrive will deeply need the adherence of all in order to know how to go through the culminating stages which will place humanity on a new path.

With all of this, My children, I need you to be able to perceive the reality of this cycle which, full of challenges and tests, will be filled with the light of your prayers so that peace may be established in the world.

My children, this planetary moment will need more and more consciousness, righteousness and prayer in order to be within the necessary spiritual protection to know and learn how to discern before all the events that in a short while will approach.

For this reason, the Sacred Hearts go on pilgrimage to different nations of the world to prepare and alert all children of the Celestial Father, to remove souls from the illusion of these times, to awaken human consciousness and fraternity, which will help to feel the inner need to assist and cooperate with one's fellow being.

Dear children, for this reason, the Divine Messengers also bring the graces that exist within the Creator Source of God so that souls may recover their filiation with the Eternal Father and, above all, remember their divine and spiritual origin, which is drowning under the modern influences of these times, under a global distraction.

Thus, dear children, I bring you to God through My Heart and I invite you to repair the Heart of the Divine Father so that He may pour His Mercy upon you.

My children, I call you to have more consciousness so that you may know how to make correct decisions rather than hasty ones. I call you to find the truth through your love and your devotion to God and to all of His Celestial Kingdom.

I impel you to change.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
