Daily Message received in the Marian Center of Aurora, Paysandu, Uruguay, transmitted by Mary, Rose of Peace, to the visionary Friar Elías del Sagrado Corazón de Jesús

Sacred doors are opening today in the south of this planet; the southernmost area of the Earth is being filled with a special light and this reaches hearts that, united with God, live the path of the Purpose.

The inner doors of the Hierarchy are unveiling before the consciousnesses of the Earth, and the knowledge of yesteryear comes as a treasure, originating from the Universe of God.

A clear message manifests to all who live in prayer; it is the sign that descends from the higher spheres, it is the announcement of the Universes of Light that, gathered together in the same Brotherhood, assist all of the human race.

Impulses from the stars are emitted today to the souls of the Earth, impulses of light that will form the new beings so that they may take up their place within the Plan of Love.

The sacred doors that open today communicate the new direction of the Brotherhood, a place marked on the horizon by the Cross of the South.

In those inner spaces, all will be concentrated to glimpse, with wisdom, the next coming cycle so that the servers of the Earth may participate in this universal meeting.

The veils of ignorance no longer weigh on the faces of the self-summoned, because the fresh southern wind has taken them so that the spirit of each being may contemplate the arrival of the Holy Chalice, which will unite all brothers and sisters in one heart and in one mind.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
