Daily Message received in the Marian Center of Aurora, Paysandu, Uruguay, transmitted by the Glorified Christ Jesus to the visionary Friar Elías del Sagrado Corazón de Jesús

My final time is drawing closer, a moment in which your Master and Lord will give and deliver His last impulses, which will finish concretizing the cycle of manifestation, even though everything will be happening on the planet.

For this reason, companions, the moment will come to put into practice, in your life, everything that I lovingly taught you; it will be the time in which everything will be defined.

I prepare you so that when the moment comes for you to make a decision, it may be done consciously and with discernment; thus, in this last stage, I come to give you the last keys, instructions that will open the door of your consciences so that you may take steps in love and in unity.

But although everything may shortly be happening, do not allow your faith to waver or change. On the contrary, allow My Love, which is unconditional and eternal, to help you endure all that you will see and be aware of.

This is the time and the hour to prepare, to surrender and to trust, following the light of My steps until you are able to find the portal toward the eternal and the greater.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
