DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

On this day, dear children, I invite you to withdraw within My Maternal Manger. Today I call you to remain close to the warmth of My Immaculate Heart, of My Maternal Love, just as Jesus was from His birth.

Today I ask you to unite your essences to My Maternal Essence so that the True Love for the Creator may awaken in your lives.

Dear children, today I invite you to remain within the power of prayer so that your souls may awaken the spiritual gifts that prayer offers as fruit for the souls.

My children, when I call you to remain within My maternal manger I am calling you to be humble and simple so that God may find your dwellings crystalline and pure. For this, your hearts must be consecrated to My Immaculate Heart.

The world still has not changed, therefore your prayer of the heart will permit that many situations may find the Light of My Son.

Little children, today I am not only calling you to awaken your consciousness, but also to find, through Me, Jesus the Redeemer. My call is announced so that My soldiers may find the path towards My Immaculate Peace.

My children, today I call you to mature the heart and to recognize God in each thing because the Father waits to baptize you with His Spirit of Peace. Trust in the priesthood of My Son, commune of His Merciful Heart.

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
