Daily Message received in the Marian Center of Aurora, Paysandu, Uruguay, transmitted by Mary, Rose of Peace, to the visionary Friar Elías del Sagrado Corazón de Jesús

Dear children,

We are at the doors of a new cycle that will come with the hope of fulfilling the goals of the Plan of God. A cycle that will come with challenges to continue strengthening faith and maturing love in the hearts of My children.

A new cycle to fulfill the projects and to manifest the ideas of the Celestial Father.

A new cycle that will awaken, even more, the consciousness of humankind to everything it must change, purify and repair.

A new cycle in which Mercy will have its great and last action and intervention within hearts, in order to rescue and consecrate them.

A new cycle that will consciously bring a commitment to those who were once connected to the Redeeming Plan of Christ.

A new cycle that will place humanity in the last time of its definition.

It will be a cycle permeated by faith and full of wisdom for the hearts that completely surrender to the Lord.

It will be a cycle of great revelations and of visible concretizations.

It will be a cycle in which nothing will remain hidden anymore.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
