DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE LIGHT-COMMUNITY FLOR DE LYS, DORNES, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

When you truly and from the heart ask Me for something that would benefit the redemption and the elevation of the planet, I will give it to you according to your intention and your motivation. In this way, you allow Me to work through you as an instrument that offers itself to the Father to accomplish His Will.

This is why you should know that all that you ask of Me will come to you at the precise time and not when you need it.

Thus, again and again, you must trust in all that I do even though it seems incomprehensible to you.

When you ask Me for something that will help humanity, you must know that it will manifest itself and that the fulfilling of this request, on the part of the Divine Universe, will mean the moment for your taking on the commitment.

Now, if your request is sincere, it will touch My Heart, and right away I will respond in the way considered by the Father and manifested by the Universe.

We are still in the time of miracles, but we are also in the time of renunciations so that the renunciations can compensate for the deviation of souls from the path of love and maintain the equilibrium of the planet.

I will grant My Graces and My Mercy when the requests are born from a sincere heart.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
