DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF FATIMA PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Through the passage and the visit of the Divine Messengers to the nations of the world, certain ideals and projects created in the function of the human mind are deactivated so that the rest of humanity not be affected, nor interfered with.

For this reason, and also for others, the Sacred Hearts go on pilgrimage to bring souls into an awakening of the consciousness, and to encounter their greater commitment with the Heights.

In this time, the Celestial Hierarchy is present in humanity because humanity, as peoples and also as nations, easily deviate from the path of the sacred and of redemption.

And so, the strong currents of My Divine Mercy draw closer to humanity to carry them into the act of their repentance and so that within the world there may exist instruments of Christ, capable of representing Him within the phase of planetary rescue.

The Son of God comes to the world to offer souls an opportunity capable of redeeming and healing human life and, by means of Grace, granting humanity special assistance so that change may take place within them.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
