DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Open your heart and your arms so that, in your temple, you may receive the Gift of My Immaculate Dwelling. May the divine power of the Holy Spirit descend like the fleeting ray of a star over all My little hearts in the world.

Dear children, live in the Perpetual Love of Christ and cry out for the immensity of His Divine Mercy so that this humanity may receive the harbinger and the arrival of the new King of the Universe. For this, My little ones, your hearts must be prepared by the divine fire of the prayer that elevates the soul and ignites the Light of the spirit in each consciousness and in each being.

I promise to guide those hearts that surrender to My Maternal Love, and thus I send these missionaries of peace to give themselves to the necessity of their brothers and sisters. The trust in My Maternal Presence will strengthen your hearts, those that will need to be firm for the time that will arrive. My little soldiers will have to seek union with Christ in every moment, because in this way you will be preparing the dwelling daily for when the Master of Love returns.

Today let us pray, My children, for the salvation of all the souls in the world and especially for those souls that are forgotten and without Light. We are now in the time of inner preparation.

When a Light is ignited in prayer, a soul is ignited. Thank you for responding to My call.

Who guides you always in prayer,

Mary, Mother of the Divine Conception of the Trinity
