DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Prayer will be your support and your Guide within all inner and planetary cycles.

It will be through prayer that you shall overcome temptations during agony.

It will be through prayer that you will renew your strength amid tiredness and spiritual and physical fatigue.

It will be in prayer that you will find the meaning to move forward.

It will be through prayer that you will be able to transmute and to sustain this planet.

It will be prayer what will allow you to carry the cross of these times.

It will be prayer what will cause you to die to yourself and find the void that unites you with God.

It will be prayer what will give you the strength to rise to a new life.

It will be prayer what will aid you in taking the correct steps for the awakening of Love, which will make of you a Christ of the New Time.

Prayer is the vehicle that will carry you into concretizing the Plans of God.

Therefore, pray and see My words become fulfilled.

Your Father and Friend,

The Most Chaste Saint Joseph
