DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

Collect the Graces that My Heart has poured at your feet.

A Special Grace is the true encounter of each one of you with Faith. Today I invite you to witness the flame of My Faith so that in prayer your souls may recognize My Peace.

The path of Faith, dear children, is constructed through complete trust in God. This Faith, which is Divine, will give you strength to overcome the tests and the challenges in life. Faith will prepare you for the time that will come to humanity. For this reason, My little children, I call you to contemplate the Faith of the heart, which lives in each one of you.

Dear children, this celestial sign of Faith will lead you to the presence of My Son. Remember, little children, that I, the Lady of Faith, will lead you by the hand to the throne of My Father.

My dear ones, in the encounter with Faith everyone will be able to strengthen the Light of their hearts. Faith is the protecting shield in these times. Therefore, dear children, I will accompany you throughout this path of pilgrimage towards the encounter with My Son, the Redeemer.

If you knew how important it is to live in the Faith of the heart, you would discover the purity of this heart. Faith prepares you for the path of the pure intentions of the heart, and this begins by means of the exercise of prayer. Prayer will bring you clarity to life. Prayer will awaken peace in you.

Now, My little children, you are wayfarers and seekers of Faith. I invite you to imitate My path as Guardian of Faith, as the Faithful Mother to each heart.

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
