DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

My Heart awaits your pure prayers, those that are born from the hearts consecrated to Me. May the blessed fruit that was born from the Holy Spirit, Christ, be the eternal aspiration of working together with Him for the worldwide Redemption of the souls.

Today I ask, My little ones, that you live the presence of the Sacred Master of Love so that your hearts may inhale the aroma of His Merciful Love. In this work of Peace and Redemption, My dear ones, we are together sharing the hope of the heart and the peace of the soul, for the salvation of hearts.

A cycle in this entire path of pilgrimage is ending. From the East to the West your hearts are bringing, in My Name, the Good News of the work of the Kingdom of God.

For this reason, little ones, the time has come to lift all hearts to the Kingdom of My Immaculate Heart so that all My children may be touched by the Light of My Eternal Mantle of Peace.

When the works of the Lord are realized in the souls that are on the Earth, the Kingdom of the Heavens celebrates and praises the Most High for His wonders and Love for all creatures.

I adore you.

Be well received in the fourth Kingdom of My Immaculate Heart: Aurora, after Fatima-Lourdes, Medjugorje and Guadalupe. I shelter you all in My Being.

Who guides you in Light,

Mary, Mother of the Divine Conception of the Trinity
