DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF BUENOS AIRES, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS, ON THE DAY OF THE CELEBRATION OF THE SACRAMENTS

And you will see arriving, companions, the Son of God, transfigured in the most culminating moment of humanity, in the same way that He comes today to meet you in Divinity and in Spirit. I will return in the most culminating moment of the Earth, when I will come to seek you and gather you together in My Name, in the same way that I gathered together the twelve apostles in the past, but this time it will be different because, in spite of the world being in upheaval, you will be able to recognize Me and will receive Me in the same way that you do, in this time.

I will gather together all the tribes of My Father, not only here in Argentina, in the heights of the mountain, but I will also appear, like I did in Bethany, in other places of South America so that in such acute and difficult hours, My friends, you will not feel any fear, but rather a deep and joyful bliss for having again found Me.

I will call each by your original name and, in this way, will awaken within you the sweet memory of having once been with Me, sharing the same bread and the same wine that today I give you all again.

My arrival in Argentina this time is different, I now find you more mature and aware of the importance of following your Redeemer, without any doubts.

This is the time in which your inner preparation will be finalized and your true service will begin for the redemption and the forgiveness of the whole human race.

The time for My Return has come.

I thank you for having received Me!

Who blesses you,

Your Master and Lord, Christ Jesus

Words of Christ Jesus transmitted during the consecration of the elements, in the presence of many pilgrims:

May My Words be the breath of the Spirit in you so that in this time the true being may manifest, that which will represent Me on Earth and will testify to My Presence throughout the entire world.

I come to assemble you in Truth, in the one Truth of God, which has you participate in His spiritual freedom and which promises you complete redemption of your beings and your consciences so that My Christic Purpose may be fulfilled. I open the doors of My Heart and My Consciousness so

that you may receive the presence of My Celestial Church which assembles you in equality and in love, which allows you to eternally celebrate the Love of the Father with Me.

Now that I find you with this joy, with this welcome that I feel in My heart, the Holy Spirit will act through your Gifts and with the Sacraments so that, renewed in your faith and trust in God, you will know that you will keep walking forward with Me, seeking within yourselves the realization of the Plan of God and the concretization of His Project in this human race, through the action of My Mercy, My Grace and My Pity.

I open the doors of My Heart and My Consciousness so that you may receive the presence of My Celestial Church which assembles you in equality and in love, which allows you to eternally celebrate the Love of the Father with Me.

We stand up.

At this moment, each one of My representatives and servers on the surface of the Earth will make their offering before the Celestial Father through My Sacred Heart so that He may receive your pleas, your intentions and your true offering so that His Grace may continue descending to Earth and touch all hearts.

In the silence of your heart you will make this offering with Me; meanwhile, in the presence of the living God, your Master and Redeemer will transubstantiate the elements together with the angelic hosts so that the Mercy of the Father may descend upon the beings and the planet, and the flame of light of your hearts may be strengthened and again lit so that love and grace may be in abundance within the world and the love of life may be respected.

In the Presence of Christ, Our Lord, by His invitation and call, we will enter the consciousness of His Celestial Church intoning the "melodic Kodoish" together.

Let us return to the instrumental "And so spoke the Master."

And in the Presence of our Lord Jesus Christ, our Redeemer and Savior, at His request and call, in this moment we will participate in the consecration and the transubstantiation of the bread and the wine, which will change into the Body and the Blood of Our Lord.

We invite those who can, to kneel, or to remain standing.

We thank God for the renewal of this sacrifice and for the inspiration, in this moment, that our Lord Jesus Christ gives us through the Sacraments, and especially through the Sacrament of the Eucharist.

In that time, Jesus was together with His apostles, and many more consciousnesses in the inner planes, which are present here today.

He took the bread, elevated it, recognized the sacrifice that the Father was asking Him to endure and with the immensity of His Love, gave thanks, gave it to His apostles and said to them: "Take and eat all of It, for this is My Body that will be given to you for the forgiveness of sins," and at the sound of three bells, the transubstantiation of the bread into the Divine Body of Christ was established.

We praise You, Lord and we Bless You (repeated three times).

And before the Lord ended His Supper and gave the greatest gift of love to humanity, He took the Chalice, elevated it to God, the Father blessed it and He deeply thanked Him for the sacrifice He would go through, for each one of us, until the end of times. He gave it to the apostles, saying to them: "Take and all drink of It, for this is the Chalice of My Blood, the Blood of the New Covenant, which will be poured out by Your Redeemer and by many martyrs, for the forgiveness of sins. Do this in remembrance of Me." And at the sound of the three bells, the transubstantiation of the wine into the precious Blood of Christ was established.

We praise You, Lord and we bless You (repeated three times).

The Divine Body and Blood of our Lord. Amen.

In unity with His Sacred Heart, and for the triumph and the victory of His Kingdom in humanity, united with Him, in absolute awareness and attunement, we repeat the prayer that He taught us:

Our Father.

We may stand.

Companions, never lose hope and faith, because these are virtues that will renew you and will always urge you to continue onward, knowing how to transcend barriers, knowing how to experience challenges and, this way, you will gain peace, and you will how never lose it, because you will be in Me and I in you.

May peace on this day be in you and in Argentina. Amen.

In the presence of the Love of the Father, the Son and the Holy Spirit, in fraternity, you will give each other the greeting of peace.
