MESSAGE FOR THE SPECIAL APPARITION IN THE MARIAN CENTER OF THE CHILD KING, TERESÓPOLIS, RIO DE JANEIRO, BRAZIL, TRANSMITTED BY MARY, QUEEN OF PEACE TO THE VISIONARY FRIAR ELÍAS

I am the Star from Heaven, I am the one who descends in Spirit to rescue and bless all My children of the entire world.

On this day, My Immaculate Heart descends in Glory over the city of Rio de Janeiro to bless you and remind you of the commitment of all My children to praying with the Sacred Heart of Jesus.

Dear children, My Heart of Mother is rejoicing when the pilgrims and devotees receive Me with faith and love in the heart. For a great and divine end I come for the second time to this city of Rio de Janeiro, because it will be necessary that those children who sleep in the dream of this world may awaken to the conversion and to the redemption of all the faults committed in life before God.

To this end, My Spirit of Peace has interceded for this place of Rio de Janeiro, so that definitively this city may open its eyes to the light of My Co-Redeemer call. So that My children may listen to My voice and follow My steps of a Pilgrim, the ecumenical prayer groups will serve as bridge and salvation for many children who have refused to find God through the presence of Christ.

So that My children may return to the Most Pure Heart of God, it will be necessary to create strong Marian soldiers who may help the great cities of the world, so that all the inhabitants may receive the Grace and Mercy of God.

Beloved children, on this day My Heart rejoices because My children from the prayer groups in Rio de Janeiro have opened a safe door to redemption. In this time of great changes and of difficult transformations for My children of humanity, it will be urgent and necessary that some praying groups and devotees of My Immaculate Heart are extended and strengthened through prayer, to collaborate in reverting the great spiritual unbalance lived in the great cities.

With the help of the priests it will be possible to form ecumenical prayer groups, and in this way you may have the new network of light and peace for the souls that most need it.

Dear children, it is a real miracle that My Maternal Consciousness can descend over this city of Rio de Janeiro; I want you to see how great is the Mercy of the Father, and how in truth He loves you infinitely, without looking at your sins and faults.

For this beloved children rise in time to My Marian Boat of Salvation, because I only want that you meet again with Christ, Your Beloved Lord.

Continue forward, opening ways and calling hearts to the mission that God has given you! Because Your Most Holy Mother Mary goes ahead to open the paths of Peace to all.

I thank all the children from Rio de Janeiro for having answered My call for Peace for the second time!

I love you and I consecrate you always,

Mary, Mother of the Most Holy Peace.
