DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

My Mercy arrives to the most unprotected places in the consciousness and in the soul of all My children.

Especially at three o'clock in the afternoon, My Ocean traverses as a river all the corners in the hearts to encourage them to continue forward through the path of conversion.

The Chaplet constructs new bridges of salvation and of piety for all the souls.

For this I ask you to be firm despite everything, because My Heart will protect you from any plan of the enemy. I am in Mercy with you.

Under the Love of God, be blessed.

Thank you for remaining in My Heart!

Christ Jesus
