MESSAGE FOR THE VIGIL OF PRAYER FOR PEACE IN THE NATIONS, RECEIVED IN THE LIGHT-NUCLEUS OF SACRED HEAVEN, BELO HORIZONTE, MINAS GERAIS, BRAZIL, TRANSMITTED BY MARY, ROSE OF PEACE, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

I am not only your Celestial Mother and Mother of Life, I am the Light that ardently gives impulse to the devotion of your soul toward our dear and glorious Creator.

I am the balm with the aroma of roses that cleans, purifies and sanctifies your being so that, in this time, you are encouraged to take steps in trust toward the Creator.

I am this mirror that incarnated on Earth to deliver the essence of love to the children of God, the essence of a love that may be able to regenerate inner life and erase suffering and pain forever.

I am that flower, unique and unrepeatable. I am that eternal flower that surrenders in the hands of Its children so that they can contemplate it and love it, so that this love, that has not yet arisen from within each child, can blossom and work miracles of love in the lives of those who suffer, and those who have nothing.

I am the Mother Who shelters you during the cold winters of life and Who protects you during the stormy nights.

I place all of you near my chest so that you may not only be in My arms, but so that you may also feel the love in My Heart, of a Heart that beats for each one of you.

This is the reason why I am here, for each one of My lost children and those who are not lost, believers or atheists, conscious or ignorant ones. I am for each one, to be able to take you toward My peace and so that, in My peace, My children, you may learn to live in God, in His Presence and in His Kingdom

I am that unconditional Mother, that Mother Who is consoling and relieving of human and moral suffering.

Come to Me, children, because in Me you will find God, and all of your experiences and tests will become small before the Love that comes from the Father, and this will make you free.

Children, I am the Mother Who understands and Who prays untiringly for today's world, for the humanity that is psychically and spiritually sick. Therefore, I come, because a mother would do anything for you. Only a mother is capable of feeling and of understanding, to the deepest levels, each one of her children.

Today, may the mothers of the world, terrestrial and spiritual mothers, unite to Me to cry out to the Father for humanity and for its great indifference, so that love and life may be respected, so that solidarity may be sown in the human hearts and so that everything may be repaired and healed in the innermost core of each being.

May mothers pray today so that the spirit of sacred maternity may not be dissolved from the women of the world, and so that this first contact that the mother makes with her newborn may be protected and supported by the Mother of God because, in spite of everything that humanity does today, the Project of God in family life has not been lost, so that souls find the meaning of being in unity and in family.

Pray with Me, pray, mothers of the world, and in this way My Immaculate Heart will triumph.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
