### MESSAGE FOR THE APPARITION OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

My children, feel My Love and My Peace, because I contemplate your efforts, your difficulties and your deepest abysses, into where My light enters today so that your hearts may find the peace, the forgiveness and the redemption of God.

My children, feel My Grace because, while contemplating your mission and the bravery of your spirits, which day by day stand up from the falls and try not to succumb to the temptations of the world, I pour out a divine atonement upon you. Thus, by means of My Grace, may you find the path to unite to God and may you recover hope to transcend your own miseries and reach the Heart of the Father.

My Heart comes today to the Marian Center of the Child King to send a message to the world, expressing that, to those who strive to transform and transcend, help will come, and much beyond the darkness that dwells within your inner abysses, the light of your essences will shine because God, with His own Hands, will open the paths, will remove the obstacles and will liberate the darkness so that you may recognize that within you there is a truth, which is beyond appearances and illusions.

Everyone is pure to the Eyes of God, and the stains imprinted upon your souls, by the world and by human experiences, will be able to be washed, healed and cleansed by the power of My maternal Love.

Let My Light touch you, may My Peace heal you as often as necessary. May My Love liberate you and reveal to you who you truly are.

You are My children, My little and pure children, essences that arose from My Creator Womb, from the Fount of My Purity. A part of My Immaculate Heart dwells within you. For this reason, let Me reveal Myself within you, as a light that illuminates your souls, as a divine joy that springs forth from your spirits, as a new and divine hope.

My Heart embraces you, My Love supports you, because through you I help the world. By means of your efforts, I can be before God, with the merits generated by your lives, to intercede for the most lost souls, for those who do not know God and who, day by day, move away from the purity of their essences and hearts. Through your lives, I intercede for life in this world, above all, for the children and youth who have lost hope of loving and of being loved.

The future of life upon the Earth is built by means of the effort of a few. Therefore, My children, never forget that, with each effort that you undertake, every day, My Heart recovers a lost essence, a helpless soul.

Your greatest service in these times is to live in the Love of God, it is to believe in the potential of your hearts to transcend all the past experienced by you and by your families so that, in the name of humanity, you may announce the possibility of forgiveness and the Grace of redemption.

Your hearts are favored before God. Your essences are pure to the Eyes of the Father. Today, find this purity within you.

I love you, I welcome you under My Mantle and support you, with the infinite gratitude of My Heart.

I thank you.

Your Mother Mary, Rose of Peace
