DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED DURING THE JOURNEY FROM CÓRDOBA, ARGENTINA, TO SAO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

I am the Guardian of the night, and it is during the night when the Guardian of souls protects His sheep so that they may be under His Mantle of Light and of Love.

I am the Guardian of the night, and it is in that moment in which, in the inner planes, I call upon My sheep to bring them in and protect them within the Stable of My Heart.

If you call upon the Guardian of the night through a feeling of love, of faith and of prayer, He will always be there to unconditionally accompany you and to guide you on the safest path.

I am the Guardian of the night, and it is in that moment that your Lord enters into vigil and prayer, in order to help and assist the hearts that cry out and ask for it.

I am the Guardian of the night and, in that moment, I take everyone towards the Universe of My Light so that they feel the relief and the Grace of being able to find Me again, every time they need it.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
