MESSAGE FOR THE APPARITION IN THE CITY OF MENDOZA, ARGENTINA, TRANSMITTED BY THE MOST HOLY VIRGIN MARY TO THE VISIONARY SISTER LUCÍA

Come and consecrate your little heart to My Infinite Heart of Love. Write your name among the names of My soldiers so that the entire world may be consecrated to My Immaculate Heart.

Become, My child, intercessor before God and before Christ, in the name of the souls that need to achieve Forgiveness to enter into the Kingdom of the Heavens.

To consecrate yourself to My Immaculate Heart means to live in My Eternal Peace and to become a peacemaker on the Earth because My Heart is the infinite source of Peace for the world and in It must be submerged all of the consciousnesses.

Come, My child, on this day surrender your life to My holy hands so that this Heart that talks to you may guide your steps through the same pathway through which will walk My feet.

Consecrate your life to My Immaculate Heart so that you may give Me the permission to make to spring in your essence the original purity that the whole world has lost for the lack of God and for the modernities.

Rescue today the sacred, the divine, the pure and the true saying yes to My Luminous Heart because on this day Heaven is especially attentive to your pleas and the Lord observes with attention which of His children will take this awaited step.

My children: I invite you today to overcome the symbolism of things and to go beyond superficial intentions because this day must not be only a beautiful moment kept in your memories. If you truly strive to answer to My call I will be able to unite souls and hearts in a single purpose of Redemption.

Today My Heart is shown to the world as a sweet and a celestial offer. Today I give to you My Heart that has been consecrated to yours since the beginning and this Heart beats eternally for the evolution of your little beings.

Recognize today, dear children, That which was sent in the beginning to gestate with deep love that which should be the final result of the Creation of God.

Through your little hearts, those that, spread throughout the world, are consecrated to My Immaculate Heart, I elevate to the Heavens My holy pleas and I place at the Feet of the Lord this planet so that it may be crowned with My Stars, the symbol of My Protection and of My Most Sacred Spirit.

Through this consecration I decree that all of the souls and all of the beings receive today the opportunity of living the perfect archetype of God if they just say to Me, yes.

Unite yourselves, My little ones, with one another and recognizing Me as the Mother of all of the creatures of this world and, beyond that, of all of the Universe, recognize yourselves as siblings of

one another and seal this consecration to My Heart through the ecumenical spirit of fraternity.

In the same way that My maternity encompasses the Universe, also brotherhood must be born in your hearts, with all of the creatures of this world and of this Universe that are all My children, your siblings.

I thank you for coming to My encounter and I ask you to mature each seed that on this day I have planted in your hearts.

I bless you always,

Mary, Mother and Queen of Peace.
