APPARITION OF MARY, ROSE OF PEACE, IN NAPLES, ITALY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

I come to offer you, My children, My Rose of Light and of Peace, as a means for your conversion and redemption. This Rose of Light is the symbol of My original Purity, the Purity that comes from God and His Source, which was lovingly cared for and prepared by the angels of Heaven, before I was created by God.

My children, accept this Rose of Light that is born of the gifting of My Heart, not only for Italy, but also for the souls of the world; for My children of Africa, for My children of Asia, of Oceania and of the Americas. This Rose of Light that I offer you is for everyone.

From the very depths of My Soul, from the very depths of My Spirit, I come to offer all souls of Italy this Rose of Light, for in this way, the Celestial Father will be able to contemplate your purity, your effort in transformation and in redemption, and when He sees the Rose of Light in each one of His children, He will not pour out His Justice, but rather will pour out His immense Grace. He will pour out all the Love that created you from the beginning of the Source.

My children, may this Rose of Light be in your hearts as a spiritual, inner and silent communion with the Heavenly Mother.

I come to bring this symbol and this example of charity of My Heart, because from My children I wish for their prompt conversion and redemption, so that someday they may reach the Kingdom of the Heavens and they will descend to the future Earth through the New Humanity.

If My Rose of Light is in you, My children, you will be able to offer an example of life, of kindness, and of charity to others.

Europe should never forget that service is the path for finding the Pity of God that it so much needs, just like other regions of the world are in need of other attributes of God, not only for transforming life completely, but also for living His Holy and Divine Will.

With this Rose of Light that I bring you today, My children, to Italy and to the whole Universe I exhibit the essential Purity of the Mother of God, one of the most immaculate and great mysteries of God that comes from His non-material Source for all the creatures of the Universe, for all the galaxies, all the stars and all the suns.

When opening to the inner life, everything, absolutely everything is permeated by the essential Purity of the Mother of God.

What I need, My children, is for you to cultivate within yourselves this spiritual symbol of purity so that, day by day, you may learn to reconsider and to change, so that you may learn to live in the Commandments of God, especially so that you may learn to take care of your planet, of humanity, and of the wounded Kingdoms of Nature.

Open your hearts, My children, for this mystery of Love that I bring you today. I am interceding for you, as I have never before interceded for Italy.

That is why I come today, My children, as the last Messenger of God, to announce to the world the Light of Christ, which is drawing closer to humanity and to all the planet through the Purity of the Mother of God.

I need your lives to be an example not only of charity, but also of love; and you will learn to reconcile with one another. In this way, My children, you will learn to recognize the Sacred Face of My Son in your brothers and sisters. It is what My Son needs today from Italy, that all recognize His Holy Face in your brothers and sisters and in your fellow being, so that He may establish Peace, so urgent in your people as well as in the whole world.

I need you, My children, to sow on Earth the purity of your hearts, because humanity has completely lost it.

The Purity that comes from God is within you; it will illumine the Earth, all that is created, and all that is manifested, and thus, everything will transform according to what God has expected for such a long time.

Be encouraged, My children, to find your purity again and to ask yourselves where it is. I offer Myself as your Mother and Queen through the true path of prayer so that you may find this path again and help your brothers and sisters to be able to find it again, because with this simple act of charity, when expressing the love and the good in all of this people of Italy, many more will find again the meaning for being here on Earth, and before everything happens in the world, many will feel called to live the path of conversion.

My Son gave you an incalculable treasure for humanity through the divine Sacraments so that you may always be blessed, renewed, and filled by the Divine Spirit of God that comes to the world through His Messengers to open the eyes of your consciousness, so that you may see beyond the material, and also beyond the spiritual.

It is time, My children, that in awakening your original Purity, you may also see the need of the whole world. Learn through love and the good to cover the needs of your fellow being, to alleviate suffering, to bring peace where it no longer exists, where it has been missing for a long time.

At this moment, your Divine Lady ignites Her Crown of Light, by means of Her twelve stars, to illumine each one of the nations of Europe in this pilgrimage with the Messengers of God, to sow the new attributes on Earth, arid and very dry lands where the spiritual Source no longer exists.

But I cause them to sprout like in Lourdes, the water that will heal you and that will save you. I offer you, My children, the Water that flowed from the Side of My Son, the spiritual and material Water that flows from His Side, bringing the light to the world and healing to humanity.

Every day, My children of Italy, practice small gestures of love and of service. Keep your cities and your peoples in harmony. Take care of the hygiene of the environment so that you never lack health. Love and respect what God has given you. Contemplate and love the Kingdoms of Nature.

Build the city of Naples through these gestures so that you may someday perceive that a spiritual Universe far from Earth, but within this universe, waits to descend to the world to awaken

your spiritual consciousnesses. And in this way, like the ancient patriarchs and prophets, move forward to live the Plan of the Most High with bravery and love, just as He thought and gave it to the people of Israel.

With examples and education, remind those who do not have any to take care of the environment; nature will be deeply grateful to you. Spiritual harmony will be set in place so that other things may happen, not only here, but also in the rest of Italy.

As testimony of that essential Purity that emerges from My Heart, today I come to consecrate new Children of Mary. At this moment, I will listen to the instrumental version of the hymn of your consecration, so that your Heavenly Mother may be able to bless you and commit you to a new mission for many more souls, which someday hope to awaken to the Consciousness of God so as to realize that they never lacked the Love, the Grace and the Mercy of the Father.

May those who are going to be consecrated approach.

With such different souls, one from another, I come to bring the Spirit of renewal of My Son, knowing that Europe has need of a very profound change to achieve the Divine Attributes of God that will transform life on Earth, that will bring awareness, light, and redemption to humanity.

Under this Spirit of Love that comes from My Son, I entrust you with the task, My children, of praying for Italy so that more of your brothers and sisters of this nation may someday commit to praying as you do, knowing that the commitment of My children in this time is for humanity and all the planet; giving the Purity of My Heart to each one of you.

Thus, I renew you, I heal you, and I grant the Mercy of God to you and your families, to your nations of origin, to the European continent, to all of humanity, knowing that you must always remember that, beyond your nations, histories, or past, it is possible to redeem and renew everything. And that you will always be brothers and sisters in Christ so that He may always bless you and fill you with His Merciful Love.

My children, for this step that you are taking today before your Heavenly Mother, I am very grateful. You do not know what that means to Me. Someday you will understand it, when you are in Heaven with me in the Celestial Glory of the Father, the Son and the Holy Spirit.

This new step opens for you the doors to new learnings, to new schools, to new challenges. You will be safeguarded by your Celestial mother, in obedience, in humility, in resignation, in absolute trust and in surrender.

In the name of the Purity of God that flows from the heart of His Universe for all of humanity and the planet, as an inexhaustible Source of love and of compassion, beyond the errors of the world and the injustice of humankind, I bring you the maternal blessing, the love of My Heart.

In the name of the Father, the Son, and the Holy Spirit. Amen.

In the name of My Son, I thank you all for having accomplished, up to this moment, this second stage of the Pilgrimage for Peace, and now Croatia and Hungary will prepare to receive us, so that more light of the Divine Source may continue to be poured out in Eastern Europe and also the whole world.

I thank you for responding to My Call and as a greeting to your Celestial Mother, I invite you to sing the hymn of your consecration.

I thank you.
