MESSAGE FOR THE APPARITION IN THE CITY OF SAO PAULO, BRAZIL, TRANSMITTED BY MARY, MOTHER AND QUEEN OF THE DIVINE WORD TO THE VISIONARY FRIAR ELÍAS

Dear children,

Feel My sacred words in the heart so that they may sprout as new fruits in your essences.

Today, for this day of Repairing Grace, I invite you to follow the example of the Faithful Son of God, the example of Jesus, Favorite Son, because a good son or daughter always listens with their heart to the teachings of the elders.

With this aim I call all of the children of the city of São Paulo so that you may venerate the sacred presence of Christ in your lives. May the Sacred Bible and its wonderful Gospel be present among My children and among all of the families so that, in this time of spiritual crisis that humanity lives may be present on your lips the Word of God.

The Divine Word that My Beloved Son proclaimed a long time ago reverberates through the centuries and the centuries and it will be His New Apostles, the servers of His Infinite Mercy, who will allow that the Good News of Christ may reach those who are most in need of spiritual instruction.

Dear children, today I present Myself to you as the Mother and Queen of the Divine Word due to the great need of a good education and of a spiritual formation in prayer as is good for the youth and, also, for adults.

Only through the power of the Gospel of Christ will you encounter in each passage a key to begin the path of conversion. If you get used to having the Gospel between your hands, or at least at the side of your pillows during the night, it would be important that you meditate and review the acts that Jesus left marked in the history of humanity.

The world as a whole and principally the families have lost faith in the Holy Scripture. For this I call you to a quick awakening because through the Gospel you will impede the enemy from tempting you with the modernities of the world.

As Your Eternal and Loving Mother I pray day and night for the children who are disconnected from God. Seek to unite yourselves as soon as possible to My Son and in this way perceive that it is time to change the life for a life of sanctity.

The Divine Word is being outraged, the Word of Life is no longer considered by many children, and also, it is changed by the modern advances that hypnotize and blind the souls. If your instrument were the Holy Rosary instead of modernities, many planetary events would already be able to have a positive course.

I call you to consider in your lives the love for the sacred readings. In this way many of you will notice the difference between good and evil.

Dear children, I come to the world, as I have come other times, to warn humanity. Christ is coming as He promised. It is time to do something for the world and as Mother of all of the people I Am calling My soldiers.

May the Divine Word nourish your spirit. May the Sacred Word of Christ redeem you.

I thank you for answering to My call for conversion!

Who reconciles you and loves you,

Mary, Mother and Queen of the Divine Word
