DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Open your heart and I will show you that My Presence is beyond what your eyes can see and My silence reveals more mysteries than a thousand words pronounced every day.

Open your heart and I will show you that the path of renunciation is a bridge that the soul creates to cross the abysses of the world and reach God.

Open your heart and I will show you that universal mysteries are to be found when you allow all concepts about yourself to be lost.

Open your heart and I will show you a silent and humble path, revealed and deep, the same path that I indicated to the Most Holy Mary when I expired in Her arms: the same path that She showed Me through Her seeing, when She said to Me: "go."

Open your heart and let the freedom of the void enter within you, the depths of knowing oneself united to all things, beyond the senses, the feelings, or the thoughts. Let the meanings of God, of His Essence, of His Heart be revealed to you.

I want to show you a new path, a new cycle, in which My Heart will be with you and will teach you to find the infinite in your own heart, through silence and a simple union with God.

Feel, child, in your heart, the same love that your Most Holy Mother and the little Child Jesus felt when, in silence, they saw My Spirit merge into the Divine Spirit and discovered the essence of Eternity, of Omnipresence.

My Heart breathes the Breath of God and lives within His Grace; thus, you will always find Me, silent as the air, in all the instants of life.

Open your heart to a new cycle, a new time, a time that will be experienced by all of humanity, a cycle that will be experienced by all of Creation.

The time has come to climb the Calvary of this world, to discover what it is to be a human being. You already have all the keys for this; now walk toward the cross, toward the revelation of Love, toward God.

You have My blessing for this.

Your Father and Friend,

The Most Chaste Saint Joseph
