**MESSAGE FOR THE VIGIL PRAYER IN THE CITY OF BARILOCHE, RIO NEGRO, ARGENTINA,  
TRANSMITTED BY THE BLESSED VIRGIN MARY TO THE VISIONARY SISTER LUCÍA**

Beloved children from Argentina,

As a Pilgrim Mother I thank the presence of each one of those who accompany Me, generating merit so that many in the world may be able to reach My Immaculate Heart.

My Children, when I ask you to relieve My Heart it is for you to relieve the weight of the suffering of the souls that I carry in My chest. My maternal eyes traverse the world day by day, instant by instant and what I find in the hearts of My children is constant despair, sadness and lack of hope.

The world agonizes and suffers, My dears. There are many families that suffer from hunger and thirst, above all from nourishment of the spirit. My Marian missionaries bring a little bit of Peace to the world, to a part of this needy humanity, but it is still too little in the face of all that there is to be done.

My dears, I want to teach you to be Marian missionaries in life, in the day by day, in your homes, in the communities, in the relations with the neighbor and in prayer. I want that you fulfill the needs of one another and that you find near to you those that need the most.

It is time to serve in order to relieve the Heart of God and to reignite in your hearts the fire of love for the neighbor, that which nourishes your spirits. This is the time to learn to live from service, to find in anyone who may be before your eyes the being that needs your loving presence, that needs your prayers in order to carry on taking steps in life.

With this, My children, I want to tell you that yes, it is very important that you search far away for the souls in need. But to reach them it is necessary that you learn to be servants all the time, with everything and with everyone.

Do not be indifferent to the needs of the world, of the kingdoms that surround you. Pray and serve all of the kingdoms that are part of My Heart and that need to be relieved from the weight of suffering and of indifference.

My beloved ones, if you want to learn to repair My Heart and the Heart of My Son, peregrinate with the intention of the heart of relieving the world. Pray with fervor of spirit for the entire world and for all that composes it. Live perpetually in service, practicing the Love that My Son has taught you in all things and, the most important, be always peacemakers on the Earth and bring My Peace to all.

I thank you, My dears, for answering to My Call with love.

Mary, Mother and Queen of Peace
