DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN BOGOTÁ, COLOMBIA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Now that Colombia has been faced with the opportunity to find the principles and the values of its culture again, souls will be able to receive the dignity and the freedom of feeling a part of this legacy, which brought Colombia the spirit of the immaculate and of the sacred.

Through the Pilgrimage for Peace, Colombia will be gradually placed before the spiritual treasures that the people of Guatavita knew in the past, and they will have the Grace of essentially recovering all that was taken from it and erased from ancestral memory.

Colombia is a great original people that, like other peoples, entered into the rebellion and the conquest that was carried out during the discovery of America. For this reason, Europe owes much to South America, just as it owes much to Africa.

Everything that happened must be balanced, and the European descendants of the conquistadores will be the ones to settle the consequences generated over the course of time.

Colombia will be able to rise when it remembers the values of faith and trust that it experienced in the past; which will allow its people to have the chance of recovering their original roots.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
