WEEKLY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED DURING THE JOUREY FROM CALI TO BOGOTÁ, COLOMBIA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Today the Rays that emerge from My maternal and Immaculate Heart are poured out upon all the Rosaries of Peace that were lovingly offered to Me, by all My children.

These prayers, these tender Rosaries, are offered today to the Celestial Father, for all the nations of South America, so that Justice and Mercy may descend as a means of harmony and love for the souls that, in this cycle, engage in conflict.

Today, through the prayer for peace in South America, Your Heavenly Mother has been able help the souls and essences that participate in the chaos and disorder of these times, so that they may spiritually reconsider and change the direction of the events that they experience in their nations of origin.

The consecration of nations to My Immaculate Heart through the daily Rosaries will intervene so that in South America the propagation of that network of conflicts does not continue between hearts that, by means of indignation and hate, complain for their rights and their dignity.

That dignity, children, will come more and more through the group prayer that you can spread by means of media so that souls can recover love and trust in the Heights.

The Prayer for Peace in South America is performing its first inner miracles.

I thank you for responding to My call with effort and love!

Who blesses you,

Your Mother Mary, Rose of Peace
