DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN MENDOZA, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

We have reached the last month of the alternate year for humanity, a month in which hearts are called to be in Christ and so that the inner Christ may emerge, purify you and renew you for another year, so that you may continue to serve the Most High.

But it is also a month in which inattention and distraction will be the premises for the life of hundreds of people of this humanity.

And to not fall into that trap, idealized by My enemy, you must be attentive, vigilant and with your consciousness elevated toward the Universe, because for the human race a chronological year ends, but for the spiritual Hierarchy a change of cycle occurs again, and this new cycle will be full of challenges because it will be an important duty to be able to concretize many projects.

Thus, I invite you to remember the Hierarchy and all that the Hierarchy will give impulse to in this new stage. Because in the same way that the clock time runs, the cycles also change and the opportunities will only come around once.

December of 2019 is the preamble to the last times with the Hierarchy.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
