DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

I Am the Lord of Grace and Mercy because all souls can direct themselves to My Heart to plead for help.

But there are rays of Grace that I pour over those who daily invoke My Paternal Presence. In all these hearts I can leave the Source of My Wonders only when they are encouraged to say yes to Me.

In this time of changes for all, My Rays of Grace and Mercy descend from the universe to illuminate the dark path of those who walk among the shadows of the Earth. I come in search of all those who have forgotten about Me.

For this, My Repairing Source of Mercy needs receptacles to be able to deposit the Sublime Grace. These new receptacles will be My Apostles of redemption and forgiveness, those who in service and surrender to the neighbor will give testimony of My Existence in their hearts.

Now it is time to continue walking without looking behind because you must only concentrate your spirits in the redeeming purpose of the Earth.

I contemplate you, I follow you, I encourage you to give more.

Under the Grace of God, be blessed.

Thank you for listening to My message with the heart!

Christ Jesus
