DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

You must not fear seeing and recognizing the parts of your being that resist and struggle in order not to transform.

When you are finally already aware of what has caused you to fall and fall, throughout the ages, you will be able to resolve it from another perspective.

To redeem the lowest aspects of the consciousness will not be an easy path, because you have to remember love, every day. Because if you do not have love, you will make your soul, mind and body sick.

You must proceed with a great deal of peace and strategy, because the most resistant aspects of the consciousness will want to maintain their space and resist.

Think and observe for a moment upon how they are very ancient aspects, that your consciousness nourished and strengthened over the course of time. But now that you have the grace of becoming free, do not oppose these aspects nor struggle with them, because a revolution will occur within you when you try to forge their release.

Trust in the Grace of the Sacraments and in the power of the surrender of your being, for in this way, you will gradually transform your being, your life and all of your consciousness.

Do not suffer, for you will not obtain any result. Remember that you are aware and that the blessed day will come in which everything will be transmuted forever, and you will be in Me and I in you.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
