

Intercessory Novena of Padre Pio for all the Priests of the Entire World

At the [27th of January, 2020](#), Our Lord said:

"Today I offer you this new rosary so that the mothers, sisters, brothers and believers in Christ may pray these mysteries of love lived and experienced by Padre Pio, so that the example of his life, his surrender and his passion for Jesus, through his five painful wounds, be the means through which all priests become like the faithful model of this saint, priest and healer of souls, so the liberation granted by Padre Pio may undo the ties of the priests oppressed by the illusion of the adversary, and so that the sanctifying Grace of the Holy Spirit may bring them all the strength of renewal and the apostolate in Christ."
