### MESSAGE FOR THE SPECIAL APPARITION IN THE CITY OF BELO HORIZONTE, MINAS GERAIS, BRAZIL, TRANSMITTED BY THE MOST HOLY VIRGIN MARY, QUEEN AND MOTHER OF THE DIVINE HOPE TO THE VISIONARY FRIAR ELÍAS

My dearest children,

Today I want to help you remember something important for this time of changes that everyone lives in the interior of the hearts, as well as in your souls. Today I invite you to be affirmed in the protective shield of the Divine Hope.

This sacred ray that also comes from one of the gifts of the Holy Spirit will help you to strengthen the faith and the peace in your hearts.

The great spiritual crises that many of My children live today is due to lack of the Divine Hope in the heart. For this, day and night, from time to time, as from century to century, My Immaculate Heart has tried to lift the consciousness of humanity by means of Divine Hope.

This sacred gift of the Holy Spirit will help you so that you do not lose the daily aspirations of approaching the Kingdom of God. Today, all of humanity suffers from lack of Divine Hope. It may arrive to your lives by means of the simple exercise of the prayer of the heart. Divine Hope is a Great Source of wonders and of reparation for the souls that have fallen.

I, as Most Holy Mother, know your inner situations of life. For this, today I say to you that you awaken in time for this precious ray of the Holy Spirit. In this way, your lives will help to balance the lack of hope that there is in the world.

When My Divine Heart descends upon the great cities, it is to bring you a little more hope and peace in the face of the most serious offenses that the souls commit. It is time that your consciences, in a definitive way, grasp themselves to the safe path of the Divine Hope. In this way, you will construct a spiritual path filled with Graces and Forgiveness.

Dear children of Belo Horizonte, as I promised you some time ago, the Holy Mother of God, the Virgin of Virgins and Mother of the Divine Mercy of Jesus, returns here to encourage you to live this day in hope, in faith and in peace. A good disciple is formed by means of the gifts that God gives them by means of His Most Holy Spirit.

In this time of so-called human advances the lack of life of prayer and of communion with My Son is generating the absence of Divine Hope. For this, as your Dear Mother, I come to help you remember that there is this ray of reparation and of healing that is called Divine Hope.

Beloved children of Belo Horizonte, My Heart has favor and devotion for your little souls. In truth, your permanent effort to accomplish My Call has opened the Doors of the Heart of God and He has permitted Me to return to this blessed city as many times as it is necessary.

I thank you, dear children, for being united in heart and soul to My Call!

I bless you on this special day of Glory and Marian celebration,

Your Mother Mary, Queen of Divine Hope
