DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED during the journey from Tusayan to Phoenix, ARIZONA, UNITED STATES, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

A significant stage has been completed since the beginning of this important mission in the United States of North America.

Many inner impulses and special revelations were given from Mount Shasta, then from the Redwoods, up to the emblematic and beautiful Grand Canyon of Colorado.

The Hierarchy closely accompanied the whole spiritual development of the task.

Now is the moment for bringing continuity to all revelations received.

This is the moment for Americans and non-Americans to assume this extremely important task within the coronary of the planet so that the spiritual Hierarchy may continue to work in an efficient way, as it has done in these last fifteen days with the arrival of the visionaries at the United States.

This generated the beginning of a hopeful and new cycle for this country. For this reason, all My companions, united to this mission, must continue to support it, not only with their sincere prayers, but also with all the donations necessary to fulfill this strategic Plan of the Divinity, until the end.

On this day, a first stage closes, since Oklahoma will offer an inner pause in order to be able to reflect upon and discern all that was presented by the Hierarchy so that, after this pause, the second stage may begin in Canada, which will represent the great inner opportunity for the Hierarchy to establish a space and a nucleus of activity of this Work, of your Master and Lord.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
