DAYLE MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

I want to let you know the Source of My Merciful Light. For this it will be necessary that you fully trust in My Will, in that which I Am foreseeing for each one of you.

A soul that trusts surrenders itself to the arms of God and allows its path to be guided through the paths of Heaven. In this time My Purpose is to open your hearts to the encounter with the Source of Love- Wisdom.

It is necessary that My listeners of the daily message strongly embrace My words as the path of guidance and salvation for your souls. It is time to prepare yourselves with consciousness for what is to come. It is time to find refuge in My Sacred Heart.

I Am the strength for your lives. I Am the Path of salvation. You know it, but it will be necessary to live it in order to understand this mystery.

I love you always.

Under the Good of God, be blessed.
