DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MUNICIPALITY OF MILLE-ISLES, QUEBEC, CANADA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Lord, bathe me completely
in the Divine Blood of Your Mercy.

Lord, bathe me absolutely
in the precious Water of Your Mercy
so that my life
may be justifiable and necessary to God,
so that this small part that I am,
and which represents the smallest
in all of the great Universe,
may be capable of corresponding
to your Divine Designs.

For this, I ask you, Jesus,
empty my mind and my heart
of all personal ideas.

Help me to trust in that
which is not under my control and
which comes from the Divine Will.

Assist me always
so that my arrogance, pride and disobedience
may disappear from the constant stimulations
of my personality.

And when You, Jesus,
have achieved that which you so await for,
send me to where it be necessary,
so that I may never forget that I am nothing
and that I only live through
Your spiritual and divine Presence.

Transfigure my whole being,
that up to the smallest particle
of my consciousness be redeemed;
because someday, I hope to be
the example of surrender and of selflessness
that You, Jesus, so long for.

I plead that I may not distance myself
from humility and poverty of heart
because thus, I will be for You
an instrument in the Hands of the King.

I thank you for remembering this inner intention.

Who blesses you,

Your Master and Lord, Christ Jesus
