DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED during the journey from MONTREAL, QUEBEC, CANADA, to Sao Paulo, Brazil, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

On this night of travel, of return to Brazil, My Mantle is extended over you like all the stars. I accompany you in silence and in vigil so that your missionary souls may be restored in a few days time and thus you may prepare yourselves to accompany the Sacred Hearts of Jesus, Mary and Saint Joseph in the planetary task that will take place throughout the next few days, in which all My praying children will have the Grace of hearing Saint Joseph, My Son and Your Heavenly Mother, once again.

Tonight we travel back to My Mother Home in Brazil, Figueira, so that your brothers and sisters may inwardly harvest the fruits of this last pilgrimage throughout the United States and Canada, important fruits for the awakening of hearts and for the redemption of the souls that live in God.

On this night of return to Brazil, I bless you and I thank you for having responded to My call during this whole month and a half of pilgrimage.

Who blesses you always,

Your Mother Mary, Rose of Peace
